

4TEM Help— Call 4TelecomHelp!

ASSESSMENT

4TelecomHelp will work with you to assess your TEM initiative and determine what needs to be done to reach your objectives.

IMPLEMENTATION

4T will assist in implementing A TEM solution as an Outsource provider, freeing your staff to handle your business needs.

IMMEDIATE SAVINGS

4T will analyze the current invoices and uncover immediate savings. Our expertise will save time and money by getting the job done right!

Has your company Implemented the latest Telecom Expense Management application and it hasn't met your expectations?

Companies do not always have the time or manpower available to do this themselves. 4TelecomHelp can assist!!

Below are some common issues customer's experience:

- Companies lack the headcount to handle the monthly TEM entry and analysis.
- The TEM application is not fully implemented or integrated with A/P.
- Cost centers or locations are not tied to accounts & inventory.
- Billing issues are overwhelming the staff.

4TelecomHelp has the TEM experts and implementation knowledge to help take that burden off your staff.

By outsourcing TEM to 4TelecomHelp, a company with industry and implementation knowledge, you could experience the savings, without the aggravation of doing the work.

Experience the following benefits:

- Saving Money-4T will focus on savings that will pay for the implementation of the TEM solution.
- Lower frustration for you and your staff—Carriers & TEM Providers are consistently unable to offer proper customer care and trouble shooting.

4T has the experienced staff to help you meet your TEM initiative quickly and efficiently
